GWLPOA
Event

**June 20, 2019 6:00 pm- the second pontoon party of the
season** – has been combined with the Lakes celebration of the
Summer Solstice. It will be held at the **Home of Nancy and
Bernie Labovitch-N7630 State Park Rd.** Because this is a
much larger group than a traditional pontoon party, they need
numbers – please confirm your attendance by calling 262-472-
0560 or responding to the email you received. The solstice team
is providing sloppy joes and we are asking everyone to provide a
salad, appetizer or dessert to pass.

Weather dependent...in early May the DNR will be out
over the Isabella Island walleye spawning habitat
placing and checking fish traps. They will be looking for
very small, newly hatched walleyes.
The traps will have appropriate signage. Please, leave
the traps untouched.

Lake fireworks are scheduled for July 13.
