**SAFETY
FIRST
SAFETY IS
EVERYBODY'S
JOB**

Water levels are high – overflowing the dam.

Remember- -motorized vessels must still maintain the slow no wake zones near the shorelines and through the narrows. We are all responsible for preserving our shorelines! When the high water levels call for Lake wide no wake, please share the information with all your neighbors.

Nicole
says....please-no
more rain!!!

GWLPOA
Event

June 20, 2019 6:00 pm- the second pontoon party of the season – has been combined with the Lakes celebration of the Summer Solstice. It will be held at the **Home of Nancy and Bernie Labovitch-N7630 State Park Rd.** Because this is a much larger group than a traditional pontoon party, they need numbers – please confirm your attendance by calling 262-472-0560 or responding to the email you received. The solstice team is providing sloppy joes and we are asking everyone to provide a salad, appetizer or dessert to pass.

Lake fireworks are scheduled for July 13. While JNT manages the event, our \$ contributions make it even better. This is the first time you can make your contribution online by linking to: https://paypal.me/jntparksidemarina?locale.x=en_us (Note: there was a misprint in the card the marina sent out – this link is the correction.)
