- ✓ 2022 GWLPOA Board

Dates for 2022 Events

January -.GWLPOA Membership Drive -
March/April -.GWLPOA Directory Printing
Feb 13, 2022 Lion's Club Fisheree

Lake Ordinances All users of the lakes are responsible for knowing the lake ordinances and practicing safe boating. Make sure your household and guests are knowledgeable and conform to these ordinances. Remember- the ordinances are year-round with or without the buoys to remind you. The ordinances protect you and other users as well as the shoreline. Link: <https://www.ecode360.com/32933978>

In the next month we will start our event planning for 2022, we would love to hear your suggestions! All of our events are paid by your membership dues and reservation fees. In January, when we ask you to renew your membership- remember we need you.

As we (GWLPOA' volunteer board) are preparing for a busy 2022 – in the forefront of our year ahead is the 2022 Lake Directory. To give us an advanced start we would appreciate your pulling out your 2020 directory and proofing your listing. If you see errors, we would appreciate you sending an email with the correctionsto:WhitewaterGWLPOA@gmail.com with the corrections. It is used a lot and we want to make it as accurate as possible

Did you know that leaves and grass clippings add nutrients into the lake that effects the quality of our lakes' water and adds muck. DNR has penalties! Please, please, please remind your landscapers or anyone assisting you in yard cleanup! We are all responsible to be good stewards of our lakes

Our Lake Survey Teams have worked through the fall and are planning to continue through the winter. As they continue to dig in and understand the issues in a data-driven fashion, we welcome your ideas or questions which we will direct to the appropriate team.

- Boating Safety
- Wakes and Shoreline Erosion
- Good Neighbors
- Government Support and Activities
- Boat and Pier Density

We are grateful to all of our fellow residents who have contributed their time and energies to exploring these issues over the past few months and look forward to the teams' analysis and recommendations.

Tom Potrykus (tompotrykus@icloud.com) and Carol Ducommun (cfducommun@gmail.com), on behalf of the Steering Team

Automobile Speed Limit is posted on lake roads – it is established for the safety of our cottage environment! Walkers, joggers, bikers on our narrow roads need to be aware of drivers and drivers need to take care of other road users! Stay alert everyone!

Ridge Road and Woodchuck Alley residents:
Due to the paving project on Ridge Road, the branch chipping service scheduled for 10-4-2021 will be delayed until 10-11-2021.
This is for Ridge Road and Woodchuck Alley ONLY.
